## NOUVEAU-AIR & NOUVEAU-HYDRO - Features & Benefits

- Beautifully Designed Ultra-Stretch Cover: Assists in moisture evaporation and management - eliminating bacterial growth for a healthier sleeping environment.
- Three Compression Flex Zones: Provide high performance body fit and support alignment for maximum pressure relief and comfort.
- Multi-Zoned Balance & Posturized Mid-Body Support: Optimizes support physics and provides separately designed zones for head-to-toe comfort, stand tall - sleep tall posture alignment.
- Wool Moisture Barrier: Assists in moisture management and temperature control. Wicks away moisture in either a warming or cooling manner - allowing it to maintain warmth in the winter and coolness in the summer. Also inhibits allergens & bacterial growth for a healthier sleeping environment.
- Replaceable Smart Top: Removable top cover is replaceable and refreshable for years of healthy sleep.
- Specially Formulated Comfort Layer: For added full body contouring and progressive head-to-toe support.
- Double Self Mending Zipper: Maximizes a mattresses accessibility and durability. If a zipper happens to separate, just rezip to repair.
- It's Your Choice, Choose Air or Fluid Support!: By simply changing the inner Modules (Comfort Engine) of this mattress, you get exactly the type of bed and support you're looking for, plus you have the option of adjusting to soft or firm!
- Full Fit Contour Liner (Fluid Only): Provides a finished look while adding the function of a completely cleanable sleep system for a more healthy & breathe easy environment.
- Memory Weave Wrapped Power Edge Support: Edge support offering comfort & support whether sitting on the side or lying on the mattress. The Memory Weave provides our Power Edge with a "no bow" design increasing the durability & longevity by not allowing oxidation of the foam.
- Durable Top Enclosure: Encases all the internal components while adding style & beauty in your bedroom.
- Fully Assembled Foundation: Both K & Q are split for additional strength, stability and convenience when moving.
