

LUXURY SUPPORT® SIGNATURE SERIES

HANDCRAFTED

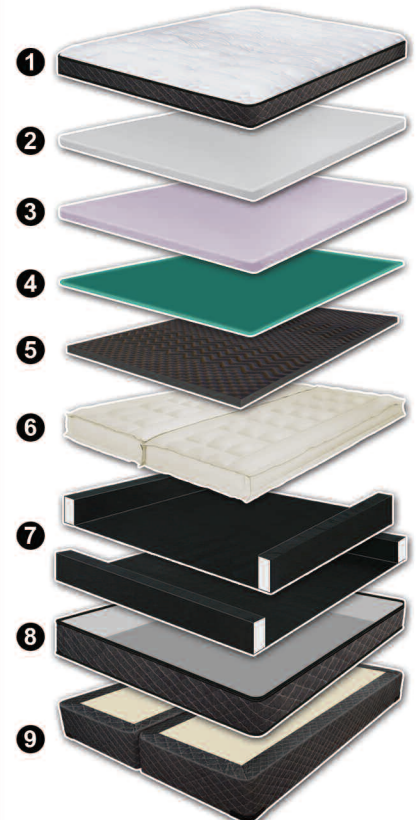

10" PROFILE

FEATURING PREMIUM PERFORMANCE & ULTIMATE SLEEPING COMFORT WITH:

- Beautiful, Stretch Knit, Euro Style Mid-Profile Pillow Top Featuring Feran Ice®: This incredibly soft, top cover material is breathable, zoned for proper body support and features a Feran Ice® finish which is designed to create a cooler sleeping environment. The Feran Ice® finish adds a soft, hydrophilic moisture absorbing layer to the fabric which increases the evaporative performance and also cools down your body. The Feran Ice® properties will last as long as your mattress does!
Pillow Flex® (New age material): Contouring plush feel of fiber while resisting the body impressions associated with fiber.
Compression Flex™ Mid Zone: Provides premium body fit & support alignment for maximum pressure relief & comfort.
Advanced Smart Pillow Top: Easily Accessible, Removable, Refluffable & Refreshable.
- Super Soft Contouring Comfort Layer: Contours to the body for even weight distribution to eliminate pressure points.
- Specially Formulated Comfort Layer: For added full body contouring and progressive head-to-toe support.
- Exclusive Moisture Barrier Backing: Protects internal components for long trouble free life & a healthier sleep environment.
- 5-Zone Anatomic 1" Support Layer: Manufactured with extra-thick, high-density polyurethane. Formed with a unique combination of 5 distinctive zones to reduce stress on the pressure points and provides customized support for your entire body.
- Air Support:** Airbeds contour to the shape of the person, allowing the body weight to be evenly distributed for minimum contact pressure. At the touch of a button, you can customize the correct support to fit your personal preference, from extra firm to feather soft - so that you're waking up feeling relaxed, refreshed and energized!
- Memory Weave Wrapped Power Edge Support: Edge support offering comfort & support whether sitting on the side or lying on the mattress. The Memory Weave provides our Power Edge with a "no bow" design increasing the durability and longevity by not allowing oxidation of the foam.
- Shimmering Grey/Black Slate Side Panels: Beautifully quilted and finely tailored with contrasting basalt grey threading and accent faux straps - offer classic style and traditional looks with a very modern feel.
Double Self Mending Zipper: Maximizes a mattresses accessibility & durability. If a zipper separates, just rezip to repair.
- Fully Assembled Foundation: Both K & Q are split for additional strength, stability & convenience when moving.
