14" PROFILE

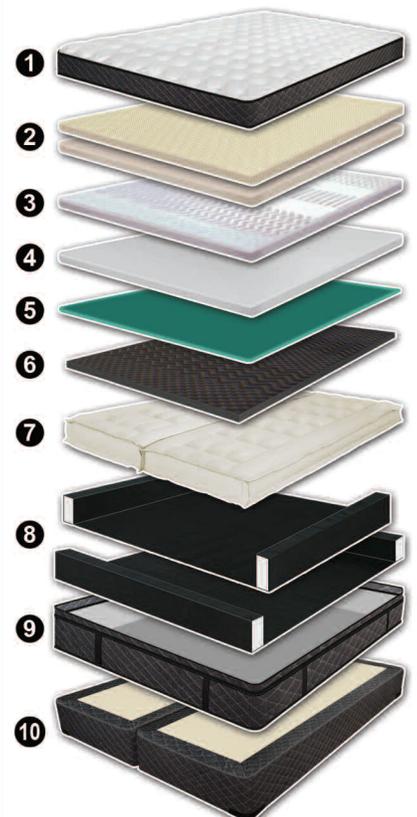

PROUDLY MANUFACTURED BY INNOMAX - U.S.A. - COLORADO

FEATURING PREMIUM PERFORMANCE & ULTIMATE SLEEPING COMFORT WITH:

- Exquisite Honeycomb Sculptured, PetMe™ Chenille, 3-D Euro Style Super Pillow Top: This top cover material is breathable and promotes a temperature neutral sleep experience and is also irresistibly soft to the touch.
Pillow Flex® (New age material): Contouring plush feel of fiber while resisting the body impressions associated with fiber.
- Easily Accessible, Removable, Rotatable, Refluffable & Refreshable Advanced Smart Pillow Top featuring Latex and Memory-Cell® (Progressive 2-Stage Firm/Soft):
Natural Latex Rotatable Comfort Layer: Gently contours to the body to promote proper support and pressure reduced sleep. Natural Latex features a sleep cool, Pin Core air flow design.
Memory-Cell® Rotatable Comfort Layer: Temperature responsive space-age material contours to the body for even weight distribution to eliminate pressure points.
- Multi-Zoned Posture Grid Support: Optimizes support physics/provides separately designed zones for head-to-toe comfort.
- Super Soft Contouring Comfort Layer: Contours to the body for even weight distribution to eliminate pressure points.
- Exclusive Moisture Barrier Backing: Protects internal components for long trouble free life & a healthier sleep environment.
- 5-Zone Anatomic 1" Support Layer: Manufactured with extra-thick, high-density polyurethane. Formed with a unique combination of 5 distinctive zones to reduce stress on the pressure points and provides customized support for your entire body.
- Air Support:** Airbeds contour to the shape of the person, allowing the body weight to be evenly distributed for minimum contact pressure. At the touch of a button, you can customize the correct support to fit your personal preference, from extra firm to feather soft - so that you're waking up feeling relaxed, refreshed and energized!
- Memory Weave Wrapped Power Edge Support: Edge support offering comfort & support whether sitting on the side or lying on the mattress. The Memory Weave provides our Power Edge with a "no bow" design increasing the durability and longevity by not allowing oxidation of the foam.
- Shimmering Grey/Black Slate Side Panels: Beautifully quilted and finely tailored with contrasting basalt grey threading and accent faux straps - offer classic style and traditional looks with a very modern feel.
Double Self Mending Zipper: Maximizes a mattresses accessibility & durability. If a zipper separates, just rezip to repair.
- Fully Assembled Foundation: Both K & Q are split for additional strength, stability & convenience when moving.
